

Press Release - Digitel supports Wirral business at 2016 Wirral Business Awards

The Wirral Business Awards 2016, organised by Wirral Chamber of Commerce, is a showcase for the diversity and strength of Wirral's business community and the positive impact it is having for economic growth. With over 500 business people in attendance at the event it is now one of the largest and most prestigious events to be held in the region, it celebrates outstanding enterprise and innovation accomplished by both companies and individuals across the region.

The 2016 winners were announced at a gala awards dinner held on Friday 16th September at Thornton Manor, on the Wirral near the village of Thornton Hough. This comprised a list of thirteen awards given out to businesses, individual entrepreneurs and young people. Among these was the Financial & Professional Services Award sponsored by Digitel Europe Ltd.

The award was awarded by Digitel Europe Ltd's group managing director Tom Cullen, to members of MD Insurance Services Limited. Mr Cullen said, "This award demonstrates MD Insurance Services Ltd trading as Premier Guarantee's commitment to providing support to clients with construction projects and also delivering structural warranty solutions for all types of both commercial and residential builds."

Mr Cullen also stated that Digitel was pleased to sponsor the award for financial and professional services and to support the aims and objectives of Wirral Chamber of Commerce.
